## Servants of the Lord

Above: Finished with work at the de-worming clinic, Angela, Rachel, and Hilary enjoy sitting and talking with the children of Bwaise. Right Top: Mary Beth painting a little girl's finger nails at Mulago Hospital. Young, old, girl, or boy - everyone enjoyed having their nails painted. Right Middle: Team Dr. Jim doing his "doctor thing" at the Namuwongo Slums. Right Bottom: Nurse Susie brings joy to a mother by giving gifts to her little boy who just had his arm amputated.

Here Ron is playing with John, who like Juliet, was dropped off at the Ederly Home. John was enrolled in the same Disabled School where we placed Juliet. PTL! Mary & Teri - our fabulous optometrists. These ladies had everything sooooo organized and distributed over 300 pair of reading glasses to happy patients.

# MORE SERVANTS OF THE LORD

# MEET OUR AWESOME UGANDAN INTERN

## *Leslie Whitehead*

Hi everyone! As you know, my name is Leslie Whitehead, and I'm volunteering with Loving One By One Ministries for a year here in Uganda. You may have seen articles or blog posts about my Ugandan adventures, and I'm hoping you will learn more about this beautiful country and its people.

I was raised in a Christian home (in Indiana, USA) accepting the Lord at four years old while sitting at our dining room table with my mom. While at Purdue University, I really made my faith my own and it was during these formidable years that a love for missions and Africa was beginning to form. After graduating with a business/marketing degree, I felt God's call to the wilds of California. I found an amazing church family and my career in business started to take off. First with a realty dot com, then I spent nine years in marketing for two difference medical device companies. Fast forward eight years, and after attending a missions seminar at my church, I felt a pull on my heart and God whispering "You are to go!" So, I went. I came to Uganda on a short-term trip with Loving One By One in January 2008 and again in July 2010.

So how did I end up in Uganda for a year? I again felt that familiar tug of my heart. God was telling me that, for the time being, I needed to leave my marketing career. I prayed about this decision for six months and

then, not knowing what God had in store for me next, I took a leap of faith and quit my job. That very week a newsletter found its way to my inbox and I read the amazing words "PRAY for people that are willing to volunteer in Uganda from six months to a year." I knew then what God wanted from me next. The rest, as they say, is history!

I'm not a teacher or a nurse or a doctor. I'm just a girl willing to follow God's call, knowing that He will equip me for whatever work He has for me.

## **Volunteer Intern Teachers Wanted in Uganda for New Creation Centre**

Are you interested in a volunteer, ten month teaching position serving in Uganda? If so we have a need just for you. We currently have two open positions available at our small Christian school serving refugee children from northern Uganda and Sudan:

1. A full-time, intern credentialed general subject teacher for our primary grades.
2. A full-time intern teacher for the primary grade performing arts subjects of music, dance, and drama. This position does not require a teaching credential, only a love for the arts.

Our school, New Creation Centre, is located just outside the capital city of Kampala. The official teaching language of the school is English.

Room and board would be available at New Creation Family home, our lovely children's home where 18 beautiful children and their house mothers reside.

In these volunteer positions you would be serving as a short term missionary and be required to provide you own funding, including:

- \* The cost of your round trip air fare of between \$1,500.00 to \$2,000.00, depending on from where you would be traveling.
- \* A monthly donation of \$400.00 to cover the cost of room and board and transportation to and from school.

While in Uganda other opportunities to serve with Loving One By One's visiting short term mission trip members will also be available for you such as assisting in numerous medical and de-worming clinics as well as visiting children in the pediatric ward at Mulago Hospital.

If you are interested in either of these positions please contact Sherry by telephone at 310-329-3983, or email at [sherryroberts77@yahoo.com](mailto:sherryroberts77@yahoo.com).

## WHO WE ARE AND WHERE WE SERVE

Loving One By One Ministry was started in January 2005 by Ken and Sherry Roberts whose passion for the poorest children of Uganda led them to start New Creation Centre, a school offering free education and 2 hot meals a day for refugee children from northern Uganda and Sudan. Their vision was to be able to reach many more refugee children for whom education would be otherwise impossible. In 2007, LOBO established New Creation Family Home, providing a home for orphaned children. Both NCC and NCFH are staffed by qualified, caring Ugandans with NCFH operating in a true family atmosphere. Now that LOBO has acquired the 9 beautiful acres of land, the next immediate goal is to establish a village atmosphere for New Creation Family Homes and School. Here children will learn to grow their own food, care for farm animals, and practice life skills enabling them to contribute to the local community. A future goal is to add a medical clinic offering quality health care for the poorest in the surrounding area.

## PRAISE REPORT
